

UNITED STATES DISTRICT COURT  
EASTERN DISTRICT OF MICHIGAN  
SOUTHERN DIVISION

DANIEL ERICKSEN,

Plaintiff,

v.

JOHN DOE, #1, et al.,

Defendants.

CASE NO. 15-CV-10088  
HONORABLE GEORGE CARAM STEEH

**ORDER GRANTING PLAINTIFF'S MOTION FOR RECONSIDERATION (Doc. 18)**

Defendants filed a motion to dismiss for failure to state a claim this *Bivens* action arising out of plaintiff's search and seizure at the United States' border with Canada as a result of which Customs and Border Protection officers found marijuana and drug paraphernalia in plaintiff's vehicle. Defendants' brief in support of their motion to dismiss is 20 pages. Plaintiff filed a 93-page response without leave of court to file a brief in excess of 25 pages as provided for in Local Rule 7.1(d)(3). The court entered an order striking the improvidently filed brief. Plaintiff has filed a motion for reconsideration, stating that the complexity of the issues involved require the filing of a 93-page brief. Having considered plaintiff's argument, IT IS ORDERED that plaintiff may file a brief of no more than 50 pages to be filed on or before May 15, 2015.

**IT IS SO ORDERED.**
